

Art.-No.: 6.8843.0500

8843

8843 Insect Cleaner

Characteristics

Concentrated composition based on surfactants with a pleasant smell effectively removes traces of insects and plant buds from the Car body surface also works on glass, plastic and chrome surfaces, etc.

- Removes dirt quick and easy !
- Excellent cleaning ability
- Economical to use
- Pleasant smell.

Tech Tip

In general before using on the surface, please check the mixture composition on an inconspicuous area for compatibility.

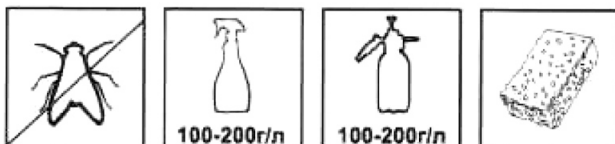

Application

Use a pressure washer to remove the dirt from the surface.

Depending on how dirty the surface is, dilute the insect cleaner 8843 with a proportion of 100-200 ml per 1 liter of water.

Apply with a spray bottle, Pump Spray Bottle (6600), leave on for 2-3 minutes without letting it dry.

Clean the treated surface thoroughly with a sponge, with water or car shampoo.
