## 8870 Wheel Cleaner Profi

### Characteristics

4CR Ready-to-use Wheel Cleaner is a powerful cleaner designed to remove road film, oil, grease and brake dust from wheels and aluminium sided vehicles.

This product is a highly effective wheel cleaner, except for electroplated wheels. The formulation is very effective, well as for using on painted wheels without deteriorating coats.

### Tech Tip

- Use Wheel cleaner when the Rims have cooled down.
- Do not use under direct sunlight or near other heat sources

### Application

- Shake well before using.
- Spray evenly to the wheels with a distance of 5-15 cm.
- If necessary use with a sponge or brush to clean the stubborn brake dust.
- Flush with a high pressure water gun.

### Technical Data

Pearance: Liquid  
Colour: Orange  
Odor: Mild  
Solubility: Soluble with water  
Ph Value Conc. Solution: Ph7  
Flammability: Non flammable
